KNOW THE **COVID-19** **SYMPTOMS**

Most common symptoms: fever, dry cough, tiredness.

Less common symptoms: aches and pains, sore throat, diarrhoea, conjunctivitis, headache, loss of taste or smell, a rash on skin, or discolouration of fingers or toes.

Serious symptoms: difficulty breathing or shortness of breath, chest pain or pressure, loss of speech or movement.

SEEK MEDICAL ADVICE IF:

- You have any of the above symptoms
- You have been in close contact with a person known to have COVID-19
- You live in or have recently been in an area where there is ongoing spread of COVID-19

In the case of door-to-door screenings, health personnel are required to present their essential workers card as identification.
